POLYSTAR

USER MEETING 2022

3 - 5 OCTOBER
STOCKHOLM

USER MEETING 2022 SAVE THE DATE & REGISTER

Coming to Stockholm, 3 – 5 October 2022

We're thrilled to announce that the Elisa Polystar User Meeting will return in-person this Autumn! And, to celebrate, we're planning to deliver a truly unique experience to our guests.

Of course, there'll be the usual mix of insights, updates and interactive activities, but we'll also be showing you how Sweden meets Japan at the Yasuragi. It's a unique centre for meetings, relaxation and renewal – perfect, in fact, for the return of the User Meeting.

We can't wait to catch up with old friends and make new ones as we grow the Elisa Polystar User Community. Keep an eye out for updates and announcements about the agenda, location, activities, and our guests.

So, put the date in your diaries and don't forget to register soon – we can't wait to see you all again this October. Visit for more details and register: elisapolystar.com/user-meeting-2022/
